INZECTO MOSQUITO TRAP

**Effective
Simple
Long-Lasting**

Our patented coating inside of the trap utilizes a micro-dose of insecticide embedded into the interior surface. Designed for **mosquito prevention**, utilize traps at the beginning of the season to prevent the annoyance of urban mosquitoes in your yard that can carry dangerous diseases to humans such as Dengue, Zika, Yellow Fever, Chikungunya, West Nile, and others.

Features

- INZECTO Mosquito Trap shape & red/black coloring proven to attract female mosquitoes
- Insecticides embedded into micro-porous coating inside of trap provide maximum safety
- Insecticides located **ONLY** inside of the Trap to prevent human, pets, and wild animal contact
- Effective prevention of emergence of urban mosquitoes such as *Aedes aegypti* mosquitoes
- Larvae food source of leaf-infusion mixture creates a perfect breeding ground
- **Simple installation: Just Add Water** and place it in a shaded area of the garden or landscape
- **Trap is 100% Recyclable** & Manufactured with 50% recycled plastics and packaging
- Long-lasting efficacy minimizing replacement costs and requiring no reapplication of actives
- Recommended disposal after three (3) Months

Actives

Pyriproxyfen
Permethrin

Calendar for Replacement (Quarterly)

Designed to Attract Container Breeding Mosquitoes

Red & Black Attracts Mosquito

Option to Hang from Tree

Designed to Attract Container Breeding Mosquitoes

Kills Larvae in Water

Sachet of Leaf-infusion Mixture

Provides Food Source for Larvae

Fully Recyclable

Made from 50% Recycled Plastic

Insecticides Contained to Prevent Human or Animal Contact

Micro-Dose of Embedded Active Ingredients

Texturized Interior Surface

90 Days of Continuous Efficacy

Prevents Emergence of Biting Adults

APPLICATIONS

- Residential Lawns
- Private Gardens
- Public Parks
- Sports Facilities
- Golf Courses
- Restaurant Patios
- Military Bases
- Hotel Outdoor Areas
- Hospital Grounds
- Schools and Playgrounds
- Pools and Water Parks
- Outdoor Stadiums
- Amusement Parks
- Government Institutions
- Universities
- Cemeteries
